## Letter from Fr Ben

**"I hope your Christmases were merry - I must say a huge thank you to the many people that came to our Carol Services, the Crib Services on Christmas Eve, Midnight Mass and Christmas Day. It certainly delivered the spirit of Christmas to me to see our community engaging with the Christmas story. I know that all those who helped make our Christmas services special will have felt the same - our church wardens, those organising refreshments, Christmas Trees, snow machines, readings, music, and carols - huge thanks goes to all those who work hard to bring those things together.**

**So now that the fairy lights and tinsel are packed away, and our storytelling of Jesus moves on from the Nativity, what now? For many of you, thoughts of the mystery of Jesus the Christ are packed away too, and that's okay. But for our church communities, we keep on diving into that mystery, discovering more about God's presence alongside us all.**

**And so, I would like to formally invite YOU, one and all, to come and hear about that presence and what it might mean for your community, your family, and friends, and you. To explore together what it might mean to be part of the divine flow of the universe, part of all things. To discover how love is at the very centre of every molecule, every atom, every particle of the substances of which we're made, and how that love is for you, always and forever.**

**Come and journey with us on a journey that doesn't dictate the answers but explores the possibilities, hear what that tiny infant laid in a manger came to teach and gives us the grace to make our own minds up about this special gift of life, it's joys, it's sorrows, it's terrors and triumphs. You are ALL welcome, and just like at Christmas time, we will love to have you with us."**

Vicar of Great Barton & Thurston*

## Good Samaritan

Last Sunday, as I was driving back from Bury, I had difficulty engaging the gears on my Audi and eventually came to a juddering halt, outside the Peugeot garage, with the car by now filled with smoke. I switched on the hazard lights, got out of the car and stood wondering what to do, whereupon a young woman appeared and said "we were driving past and saw that you had trouble. Is there any way in which we can help?"

There certainly was! Her husband, who'd joined us after going round the corner to park their car, immediately phoned the AA for me and was told that someone would be with me within the hour, because of my long-standing membership (61 years--age does sometimes have its advantages). The couple then kindly drove me back home to Thurston, where 5 minutes later the AA man appeared to collect the car key. He took the car to Cracknell's garage and to my surprise, reappeared a short while later with my blue disabled badge, as he thought I might need it, if I was offered a lift in someone else's car while mine was being repaired.

I felt this tale of, not one, but three Good Samaritans was worth sharing. I shall long remember their kindness. All I now have to do is pay the repair bill!!

Requests are only shared confidentially between the vicar and the prayer team.

## From a Gardeners Notebook, February 2023

The weather has not done much to support the gardener in January, I have managed an hour or two for little jobs. Do remember to go indoors before you get too cold, do not worry we always manage to catch up. At the time of writing early snowdrops are out, celandines and primulas.

If you have not yet had your pruning tools sharpened attend to this first as it is time to prune your roses, toward the end of the month, by 25th for example. The majority of other pruning is done in March and April but never prune frosted growth, as advised in previous articles. Pruning at the correct time will bring dividends.

Although we have had plenty of rain so far in 2024, remember the old country saying of February fill dike. Items to prune now are Winter Sweet, Climbing roses and Rhus one foot above the ground. It is always good to try new things, I have chosen Camassia, a bulb of considerable size in blue and white flowers, mine are planted in pots. I will report my efforts in due course. We can start to plant annual seeds in February, Cosmos one of my favourites as many of you know. I hope to have plenty at my next plant sale in May. Check your green house for those little pests, also water any plants on warm days when the soil might dry out.

With regard to vegetables, sow early beans and peas, also buy or order for early cropping, potatoes, sprout them in a light room or shed. As we had no article in January, may I wish you a Happy 2024 and success with your garden through the next season.

“O cruel and remorseless winter, like the other seasons I love your beauty”.

Happy gardening,

Mary

*One of my favourite things....*

is not the month of February. Although it is the shortest month, it always seems the longest. And the greyest; the dreariest; the soggiest; sometimes the coldest. I try to keep my spirits up by searching often for the aconites on Church Road. As soon as those glorious golden yellow blooms appear I know that Spring is on the way, and I am cheered.

Recently I visited with 3 dear friends who have each been unwell, but are now improving, and better than I had expected. That certainly made me smile a lot, both while I was with them, and after. God is good, I feel, when those I love are healing.

As I was leaving, one of those friends said she had something for me. It was a poem that I had asked her many years ago to copy in her best calligraphy, which I planned to frame as a gift for another friend who has since died. This poem always makes me think of that lovely, fiercely loyal friend. I was so lucky to have had her in my life.

*Oh, the comfort -  
The inexpressible comfort of feeling  
Safe with a person,  
Having neither to weigh thoughts,  
Nor measure words - but pouring them all  
Right out - just as they are -  
Chaff and grain together -  
Certain that a faithful hand will  
Take and sift them -  
Keep what is worth keeping -  
And with the breath of kindness  
blow the rest away.*

*Dinah Craik*

The poem could have been describing Jesus, and I frequently make him my sounding board. But there is nothing quite so wonderful as a woman friend to spout off to and feel safe while doing it. What a Blessing. We should all have the comfort of a human friend like this, to keep our spirits up through cranky February, and all the rest of the year, too.

With love, Linda

## The Coronation Year: St Peter's Church supporting the next generation

### Our January Update

We hope that 2024 has started well for you all.

We are delighted to report that our **annual Christmas Bazaar** was a huge success and we are grateful to all those who supported it. Our combination of new attractions and old favourites proved very popular and we made a **grand total of £1,353**. We have also received a further **£5,120 from a successful grant application and further donations to our Coronation Year Appeal**. This means we have now raised an incredible **£25,911** and can announce that the **work on lime washing the church walls will commence in the next few weeks**.

As you know, our theme for the Coronation Year was **'By the Young for the Young'** and includes supporting **'Nicky's Way,' St Nicholas' Hospice's programme for bereaved children and young people**. We received a donation in lieu of payment from those who did the Face Painting at our Bazaar. As a result, **we have now raised £4,106, slightly exceeding our target of £4,025**. This represents £100 for each of St Nicholas Hospice's 40 years and £25 for Nicky's Way's 25<sup>th</sup> anniversary next month. We are having a cheque presentation to 'Nicky's Way' and we will provide a report in the next newsletter.

There is always more to do and if you would still like to donate, please visit: <https://www.greatbartonandthurston.org.uk/news-2/st-peters-donation-page/>

The mathematicians amongst you will have worked out that having raised £25,911 and £4,106, **our total stands at £30,017**.

**£30,000 was very much an aspirational target for us and we are delighted to have reached it.**

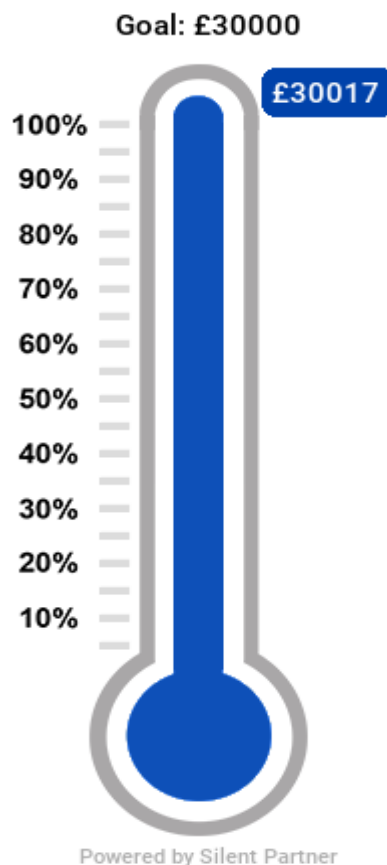

## The Coronation Year: St Peter's Church supporting the next generation

**We made it!**

Last year, **our much loved St Peter's Church** had a new path, a refurbished porch, new bespoke notice boards, new curtains in the Lady's Chapel and a newly polished floor. It will shortly have newly lime washed aisles and plans for its children's corner are progressing.

In addition, our projects have provided **opportunities for children and young people** that were denied them during the pandemic and all appreciated our range of **intergenerational events**. They have also allowed us to look outward to the wider community, particularly in **supporting 'Nicky's Way' at St Nicholas Hospice**.

## **Thurston Community Players - 'Cinderella' - Friday 2nd & Saturday 3rd March**

**Oh yes it is!... It is with great delight that I bring the exciting news that Thurston Community Players' inaugural production 'Cinderella' will be staged at the Thurston Community College Theatre on the weekend of 2nd & 3rd March 2024.**

**Having gained an enormous amount of support from Thurston Parish Council, we formed the group in the summer and auditioned for the cast in September. Since then, our feet have not touched the ground. Full of locally grown talent, this production takes the well-loved tale of Cinderella and her dysfunctional family, and then adds in lots of pantomime traditions as well as jokes, music**

**and song.**

**Our Ugly Sisters are really ugly, revoltingly funny (and just a tiny bit saucy) and our Cinderella suitably delightful. She plays alongside our two principal boys, who play Prince Charming and Dandini with great aplomb! Throw in a cheeky Fairy Godmother, a truly wicked Stepmother, a forlorn Baron Hardup and a lovelorn Buttons and you have all the right ingredients for a super piece of entertainment.**

**Suitable for all the family, please come along to the show and support your new local theatre group. Tickets are available via Ticket Source by either visiting their website and searching for the 'Thurston Cinderella' event or by using the QR code on the poster below that will take you directly to our booking page.**

**For just over a year now there has been a volunteer group working towards creating a sensory garden which can be accessible by all residents in and around Thurston.**

**The plan is to plant up the garden with safe plants for everyone's enjoyment all the way up to senior residents who can come and sit, chat and enjoy the new garden. The garden will be open during library opening hours.**

**The garden will also be dementia-friendly too. This will be achieved by seating being specific colours, planting brightly coloured flowers and shrubs, clear signage and an easy-to-navigate garden area.**

**Assistance dogs will be welcome.**

**We anticipate the garden being ready and open around May time 2024.**

**If you, or if you know of anyone, who would like to volunteer and lend a hand to maintain the garden especially in summer months, please do get in touch with Ellie, Thurston Library manager.**

**We would also be very grateful for any unwanted garden tools that you may wish to donate to the project. These can be left with Ellie at the library.**
